

Vet advert

Due to expansion and growth of the practice we are looking for a Vet to join our team. Full or part-time positions will be considered for the right candidate.

We are a new independent practice in the heart of the Ribble Valley. We opened in June and are currently a three-vet team offering both GP and some referral surgery/ ophthalmology. We have a combined experience of over 40 years in general practice and emergency hospitals. We are looking to expand our Vet team as the work load is getting too much for 3 vets.

We are looking for an enthusiastic forward thinking Vet to join our team to help grow and develop the practice. We would consider a consulting only Vet role within the practice.

We have a team of 4 RVNs, 1 VCA and 4 client care advisors who work well together as a team. We are an approved training practice with our 2 SVN's starting in September.

The ideal candidate will be motivated and enthusiastic. Communications skills are essential, and we are passionate about providing outstanding pet health care and customer service. The role involves all the usual Veterinary duties.

We have an imaging suite with DR x-ray/ dental x-ray/ Ultrasound machine, dental suite, two operating theatres.

We would encourage further study for certificates.

Competitive salary, CPD allowance, RCVS fees paid, 1 in 4 Saturdays, no OOH, Birthday leave.

If you would like a job description or submit a CV and covering letter contact management@bowlandvets.co.uk
